Description	In his new study, Matt Rawle explores faith themes in the Christmas classic <i>How the Grinch Stole Christmas</i> . Rediscover and reinvigorate your Christian faith this Advent and Christmas season and look at this familiar classic through the lens of faith.	In this study, a group of diverse Wesleyan scholars will take you on an Advent journey guided by the practices in John Wesley's means of grace. In four sessions of study, prayer, and conversation readers will look at preparing the way for God, the discipline of prayer, the substance of good works, and the recognition of God's presence in those called to serve.	Adam Hamilton travels from Nazareth to Bethlehem in a fascinating look at the birth of Jesus Christ. Using historical information, archaeological data, and a personal look at some of the stories surrounding the birth, the most amazing moment in history will become more real and heartfelt as you walk along this road.	Daily devotions for Christians as they prepare to celebrate Christ's birth. Perfect for churches to give to families or send in Advent mailings. Each day's reading, from Dec. 1 to Christmas Day, is based on the Revised Common Lectionary and includes Scripture, a short devotion, and a brief prayer.	His parents named him Jesus. But he was also called by other names: Lord, Messiah, Savior, Emmanuel, Light of the World, and Word Made Flesh. <i>Incarnation</i> explores the meaning of these titles and what they tell us about the child whose birth we celebrate at Christmas. Join him and reflect upon the significance of the Christ Child for our lives and world today!	Explores the biblical texts surrounding the story of Jesus' birth, tracing the Christmas narrative through the stories of Zechariah and Elizabeth, Mary, the journey to Bethlehem, and the visit from the Magi. Opens up dialogue on connections of the Gospel stories to the Old Testament, the Christ Child for our lives and world today!

Description	In 1741, Wesley's famous sermon "The Almost Christian" encouraged people to follow Christ wholeheartedly. This book and study, perfect for Advent, breaks down the barriers that prevent us from experiencing an "altogether" love, hope, joy, and peace in Christ in our lives and in the world around us.	This book and Advent study explore the warmth of welcome at Christmas following interactions with Mary and Joseph, the shepherds, and the magi. Just as Jesus made room in God's kingdom for those on the margins of society, we too should be asking ourselves who we can make room for this Christmas.	This year discover the true wonder of Christmas by sharing the love of Christ with others. This study centers on looking to the Christmas story and the stories of real people today to find inspiration and ideas for reflecting the light of Jesus at Christmastime and throughout the entire year.	This Advent study from The Pop in Culture series shows us how the teachings of Jesus can be found in the Charles Dickens Christmas classic. Reinvigorate your spiritual journey as you look at this familiar story through the lens of faith.	God knows what it's like to be a human. God understands when we talk about our challenges, our struggles, and our tough times. This study reminds us that "everything works together for the good of those who love God."	This study teaches us to accept and glorify God's will even when circumstances make it difficult to do so. The story of Joseph provides us a great example of humbly obeying God even when we don't understand and faithfully moving forward in the strength that God provides.
