Description	How do we walk with Christ—daily follow him, grow in him, and faithfully serve him? Join Adam Hamilton this Lent and Easter in <i>The Walk</i> and discover five essential spiritual practices rooted in Jesus' own walk with God. In each chapter, Hamilton's engaging teaching style will help you explore one of these practices.	This Lenten study dives into six ideals found in the iconic book and musical—grace, justice, poverty, revolution, love, and hope—each of which is represented by a character. In keeping with Rawle's previous works, he brings us to the intersection of Church and Pop Culture, drawing parallels between the two.	Jesus' Passion story is presented each Lent in countless churches every year. In one village in Bavaria it has been staged every ten years since 1634. <i>The Passion Play</i> follows the biblical story of the Passion and shows how this play has been used both as a ritual of praise and later as a weapon through its anti-Semitic past.	The God of the universe knows your name. He has walked your streets. Jesus. Perhaps you've heard about him, studied him, or prayed to him. But do you know him? By learning more about the person Jesus was and is, readers will understand more clearly who they were created to be.	Although the Bible gives us insights into what Jesus was thinking between the time he entered into Jerusalem and the night he spent in the Garden of Gethsemane, we can't totally relate. To help us fill in the blanks, this study explores the biblical text surrounding the Passion story, looking at the "ordinary" people who witnessed the events.	He left everything to follow his teacher and possessed a passion that would change the world. He was poor, uneducated, quick-tempered, and full of doubts and fears. Can this be the same man? That's the point of this Bible study. Peter was just an ordinary guy who heard and followed God's extraordinary call.

Description	Adam Hamilton believes that powerful answers to many of our complicated questions are contained in the Apostles' Creed. This study explores what Christians believe, why they believe it, and why it matters, leading readers to confront and examine their own core beliefs.	There are two components to every miracle: divine action and human responsibility. For a real miracle to take place, God expects us to apply our talents and abilities—acting with God to perform divine work. Examines biblical examples of how to use our God-given gifts for God's glory.	<i>Christ Is for Us</i> , based on the Revised Common Lectionary Scriptures for year A, invites readers to explore God's saving and redeeming love through a 7-week study of the Scripture readings for Lent and Easter. Key Bible passages call us to embrace God's salvation and the new life offered to us through Christ.	This 7-week Lenten journey follows stories of Jesus' experience of God's love. Each week begins with a Scripture passage, a weekly devotion, reflection questions, an optional prayer bead experience, and a listening meditation. A Leader's Guide for small-group study is included.	As Christians, we often find ourselves resisting God. This was true of people even during Jesus' lifetime. This study explores the lives of some of these individuals and reveals how the story of Easter became real to them when they found themselves caught up in Jesus' crucifixion and resurrection.	We are living in uncertain times. It is those who are willing to embrace uncertainty and make the risky decision to follow Jesus despite the many "unknowns" who will reap the greatest rewards. This Lent, <i>Embracing the Uncertain</i> invites readers to engage and wrestle with life's uncertainties, not ignore them.

Description	Explore Jesus' final words from the cross. Each chapter includes the biblical account followed by a story written from the viewpoint of a witness at the cross.	The Gospel of John includes some of the loftiest and most-loved verses in all the Bible. Join Adam Hamilton and experience a season of spiritual growth and life-changing renewal as you read the entire Gospel of John, exploring its major themes.	Looking at pop culture heroes through the lens of faith, Rawle shows how Jesus turned the concept of hero on its head. The book examines how good vs. evil, right vs. wrong, and overcoming adversity are fundamental to how Christians understand salvation.	There is a truth greater than all the losses and sorrow of life. Lucado takes the reader deep into the meaning of Jesus' last hours on the cross. Through his death, your life has purpose and meaning. Supported through video as a Live Bible Study on Facebook Live, then subsequently supported through online streaming.	Every gift from God reveals his love, but no gift reveals his love more than the gifts of the cross. In this five-session video Bible study, Lucado explores the many gifts that Christ provided to us at his crucifixion.	The best-selling book retraced Strobel's spiritual journey from atheism to faith by showing how the evidence he obtained from the experts in the fields of history, archaeology, and ancient manuscripts led him to the verdict that Jesus truly was the Son of God. This Easter study investigates the story surrounding the resurrection of Jesus—and how we can know that it is true.
